**Subject: confirmation of resignation**

Dear Pratap,

We have received your transfer request. We hereby confirm the termination of your employment contract with Capgemini Nederland B.V. and your transfer to Capgemini Tech Serv India Ltd as of 4 August 2026.

Your people manager will contact you to make an appointment for an exit interview.

In this letter you will find important information concerning the termination of your employment by Capgemini.

**Hand in Capgemini's property**
Please return the Capgemini property you own before the end of your employment. You are welcome to do so at Onsite Support (ICT Shop) at the Leidsche Rijn office in Utrecht (Mon-Fri 8:00 am – 12:00 & 13:00 - 4:00 pm). At the Eindhoven office you are welcome on the last working day of the month or by appointment (ictshop.bnl@capgemini.com). In the appendix at the bottom, you will find a checklist of all items to be returned. Fill in this checklist, print the checklist and hand it in with the items at ICT Shop. They sign it for receipt. Then make sure you take a picture of the checklist and email it to your manager.

**Transfer digital ownership rights**
Also remember to transfer any digital ownership rights (for example to mailboxes) to a colleague via the Corporate Directory.

**Home Workplace**
If you are using the home workplace, the items will be picked up before your leaving date. The supplier will send you an email ten working days before your leaving date with the exact date and time by which you (or someone else) must be present. The items must be made ready for pick up. The carrier checks the items for any damages that you need to sign for.

**Lease car**
If you use a lease car, please contact leasecompany's servicedesk (Alphabet 076-5793950, Arval 030-6024444, ALD Automotive 020-6587036, van Mossel 013-5395069). If you wish to place your lease car on the takeover list, you can arrange this via this link. You must make the lease car available to the lease company on your last working day.

After the end of the employment, Capgemini reserves the right, insofar as necessary, to recover and settle traffic fines and/or damage resulting from the use of the lease car that are at your expense.

Statutair gevestigd te Utrecht, KvK nr. 30053172. Op al onze aanbiedingen en overeenkomsten zijn de Algemene Voorwaarden van Capgemini van toepassing.
Op verzoek wordt kosteloos een exemplaar toegezonden

**Final settlement**
At the end of the employment, we make a final settlement. The holiday allowance not yet received, any other outstanding receivables and a positive or negative holiday days balance will be included and settled.

At the beginning of the year, your full-leave entitlement is granted. If you leave the company during the year, this entitlement will be adjusted on a pro rata basis in line with your leaving date.
If you have purchased additional leave days and the payment has been extended over several months, please note that any remaining outstanding amount will be deducted from your final salary. This means that any unpaid instalments will be withheld in one single deduction.

Please also consider submitting your declarations in time (Tip: you can view the costs of the NS business card directly in the NS portal).

The final settlement will take place no later than two months after your termination of employment.

**Private email address**
Please register your private email address in SuccessFactors before you leave your employment. We use this email address for communication with you after you leave employment. We also use this email address to send you your latest salary slip, annual statement and if applicable communication about ESOP. Please note: After your termination date, you will no longer have access to the AFAS Payroll Portal. Therefore, please download your payslips from previous periods before your termination date (if desired).

**Tax equalization**
If you worked for Capgemini abroad in previous years, you will remain under the Capgemini's tax equalization program for all tax years related to or impacted by your assignment abroad after termination of your employment with Capgemini. You will be informed about this separately.

**@ESOP**
If you take part in Capgemini's shareholding plan @ESOP, then make a choice to participate or terminate your participation. If you want to terminate your participation, please submit a refund request via your personal page on the Amundi website. Please take into account with this choice that the payout, after approval, takes approximately 3 months.
If you want to continue your participation, please send your personal contact details to Amundi. An annual administration fee is calculated.

**Pension arrangement**
Stichting Pensioenfonds Capgemini Nederland will inform you shortly about your retirement pension. This is converted into a retirement pension and survivor's and orphan's pension, depending on your personal situation. You can find more about this in the pension regulations, article 10 paragraph 6. We advise you to check whether you need any other pension provisions.

If you want to transfer the value of your accrued pension rights to the pension scheme of your new employer, you can report this to the new pension provider. Whether value transfer is permitted within the legal framework does depend on the funding ratio applicable at that time. The law also stipulates that a very small pension (a few euros) reverts to the pension fund. An accrued pension entitlement up to a certain limit is automatically transferred to your new pension provider. Further information about details and administrative implementation can be found on the website of our pension fund.
*If your pension has been placed with the ABP, a.s.r. or Befrank (colleagues who came over from Altran) you will receive a letter about stopping the pension accrual and the choices to be made.*

**Health insurance**
If you are participating in the Capgemini health insurance scheme with collective conditions, you must discontinue or transfer into an individual policy. you can no longer derive any rights from the current insurance policy after the end of this calendar year. You can indicate changes, depending on your health insurer, via Zilverenkruis or by sending an e-mail to serviceteam.zakelijkdirect@cz.nl. State whether it concerns a regular deregistering from the collective policy conditions or it is caused by subscrription to a collective insurance from a new employer.

**Urban Sports Club**
If you have taken out a subscription via Capgemini at Urban Sports Club, the collective discount on this will stop. This subscription will automatically end upon termination of employment.

**American Express**
If you have an AMEX Corporate credit card through Capgemini, it will be deactivated on your last day of employment. Please note: Business expenses must be submitted in Concur before your final working day. If you have made any personal expenses using your AMEX card, you are responsible for settling the balance in a timely manner. After your employment ends, please cut the card in half.

**Sick leave**
If you are leaving Capgemini and are sick, it is important that the Health department is informed of this. If this is not yet the case, please contact Health.

**Special terms**
We would like to remind you of the provisions in force in Chapter 4 of the Capgemini Terms of Employment, in particular the competition clause, the confidentiality clause and the non-compliance clause. If you do not have a competition clause but a relationship clause has been agreed, then the relationship clause applies.

The list of relationships referred to in the competition or relationship clause includes:

- N/A

Furthermore we emphasize it is prohibited to pursuade (an) employee(s) of the Capgemini organization to end their employment contract with Capgemni.

We thank you for your dedication and pleasant cooperation and wish you a succesful continuation of your carreer.

In case you have questions after your separation date, please reach out via HR.support.nl@capgemini.com.

Yours sincerely,
Capgemini Nederland B.V.
